**STATEMENT OF FACTS IN SUPPORT OF FILING ON
BEHALF OF A NON-SIGNING INVENTOR UNDER 37 C.F.R. § 1.47(a)**

1. I, James M. Barkley, am the General Counsel of Simon Property Group, L.P., the assignee of the above-identified application. I make this statement of facts in support of a petition to accept the above-identified application with the omission of an oath or declaration signed by one of the joint inventors, Melanie Al-Shabkhoun, who refuses to sign an oath or declaration.

2. Inventor Melanie Al-Shabkhoun is a former employee of Simon Property Group or its affiliates who resigned her employment with said company on March 25, 2000. On information and belief, Ms. Al-Shabkhoun has a legal obligation to take all actions necessary to grant Simon Property Group title to the above-referenced application and invention and to all other inventions made by her during her employment with Clix'nmortar.com.

3. In mid-December 2000, all the inventors received from the law firm of Jones, Day, Reavis & Pogue a Combined Declaration and Power of Attorney for Patent Application

relating to the present application with the request that each inventor sign and date the document and return it as soon as possible.

4. On January 19, 2001, I sent an additional copy of the materials prepared by the law firm of Jones, Day, Reavis & Pogue to Ms. Al-Shabkhoun's home in Indianapolis, Indiana by Federal Express courier and requested that she review the materials, sign the same and return them to my attention. I also instructed her to contact me either at my office or at my home (and provided telephone numbers for both) if she had any questions or concerns.

5. On January 22, 2001, Ms. Al-Shabkhoun called our office and spoke with my Administrative Assistant, indicating that she was out of the country and requesting that we send copies of the documentation to Zurich, Switzerland to an address that she would furnish us shortly.

6. On January 23, 2001, Ms. Al-Shabkhoun called again and spoke with my Administrative Assistant and indicated that she would not have time to review any documentation during her stay in Zurich, that we should not send the documentation to her at this time, and she would instead review the documentation when she returned to her home in Indianapolis, Indiana on either February 3, 2001 or February 4, 2001.

7. On Saturday, February 3, 2001, Ms. Al-Shabkhoun called me at my home and indicated that for personal and other reasons, she would not sign any papers in connection with the application. That was the last time I spoke to Ms. Al-Shabkhoun.

8. The last known address of Melanie Al-Shabkhoun is 7908 Westfield Boulevard, Indianapolis, Indiana 46240.

9. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the present application or any patent issued thereon.
